EXPORTJUNK

Trabajamos la madera

La excelencia en diseño, la riqueza creativa y la búsqueda constante de la calidad definen los muebles de Esportjunk. Como pioneros en la fabricación de muebles de ratán, hemos consolidado una sólida reputación en la industria, ofreciendo una extensa gama de muebles elaborados con maderas naturales de la más alta calidad.

Nuestra firma se guía por las tendencias más actuales en forma, estilo y diseño, manteniendo siempre como base la selección de maderas de primera calidad. Maderas como roble, teka e iroko son cuidadosamente seleccionadas para vestir jardines, dormitorios y salones con piezas elegantes, sólidas y duraderas.

Detrás de cada mueble, hay un equipo dedicado de profesionales en Esportjunk, comprometidos con la excelencia y la satisfacción del cliente. Nuestro objetivo es ofrecer productos de alta calidad que perduren en el tiempo y proporcionen la máxima comodidad a nuestros clientes.

Es importante destacar que los muebles elaborados con maderas macizas pueden experimentar cambios naturales con el paso del tiempo, como la aparición de grietas, manchas y vetas de colores diversos. Estos elementos son parte de la identidad única de cada madera y contribuyen al encanto y la autenticidad de cada pieza.

We work wood

The combination of experience, creativity, and top-notch craftsmanship defines Esportjunk's furniture. The company was a pioneer in manufacturing rattan furniture and has since built a long-standing reputation for offering elegant, sturdy, and resilient furniture made from natural woods.

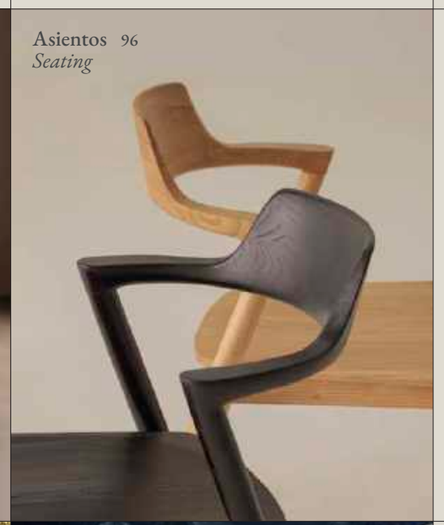

Trends dictate our approach to shape, style, and design, with our foundation being the use of excellent quality woods. Oak, teak, and iroko adorn gardens, bedrooms, and living rooms, providing quality, durability, and comfort.

A dedicated team at Esportjunk works tirelessly to achieve high quality and earn our customers' trust over the years. Furniture made from solid woods may undergo changes over time, such as the appearance of cracks, stains, and veins of different colors. This is normal and adds to the charm and natural beauty of the furniture piece.
